OIEau - IOWater - OIAgua

IWRM Karlsruhe 2010, which is organised by Fraunhofer IOSB and Karlsruher Messe- und Kongress-GmbH and which is under the patronage of the Federal Ministry for Economic Cooperation and Development, addresses cutting-edge topics and issues concerning IWRM in three parallel sessions.

Agriculture is the world's biggest consumer of water. Water management in this sector is therefore of huge importance to society, which is why it has been chosen as one of the main conference themes.
