Constructed Wetlands - Domestic, Commercial & Industrial

- Pour le site - Agenda des évènements -

Date de mise en ligne : Wednesday 13 July 2011

OIEau - IOWater - OIAgua

The conference aims to share and promote best practice in the many applications for constructed wetlands in both the domestic and industrial sectors.

We are particularly interested in:

New applications for constructed wetlands designed for industrial effluents,

Developments in constructed wetland technology such as enhanced wetlands & vertical flow wetland systems, greens roofs & SUDs, water recycling, as well as studies on life cycle analysis.

Case studies, particularly where they are supported by appropriate performance data.
