Water, sanitation and hygiene conference - WASH 2011

- Pour le site - Agenda des évènements -

Date de mise en ligne : Monday 16 May 2011

OIEau - IOWater - OIAgua

The WASH conference and training program will focus primarily, but not exclusively, on WASH services provision in developing countries including; water supply systems (in villages, towns and cities); household toilets and sanitation facilities in public and shared areas (such as schools, clinics and markets); and hygiene promotion from community-based to campaign approaches.

Themes

The conference addresses four key themes: (1) Functional and environmental sustainability (2) Behaviour change and social sustainability, (3) Institutional sustainability (4) Financial sustainability.
