4th International Conference on Water Resources and Arid Environments

- Pour le site - Agenda des évènements -

Date de mise en ligne : Sunday 5 December 2010

OIEau - IOWater - OIAgua

Conference Topics:

- I. Water Resources
- II. Water Conservation
- III. Arid Environments
- IV. Utilization of New Technologies in the Study of Arid Environments and their Natural Resources

Conference Objectives:

To provide a scientific framework for awarding the Prince Sultan Bin Abdulaziz International Prize for Water, and for announcing the topics of research for the 5th award.

To exchange knowledge and share information in water resources and desert-related fields.

To explore the use of new technologies in the study of arid and semi-arid environments and their natural resources.

To provide an opportunity for decision makers, experts, and scientists to share their expertise in order to find integrative and comprehensive solutions for water resource problems.
