High Level International Conference on the implementation of the International Decade for Action "Water for Life", 2005-2015

Date de mise en ligne : mardi 7 juin 2015

Agenda des évènements -

OIEau

The Conference is organized by the Government of the Republic of Tajikistan in cooperation with the "UN-Water" and other UN institutions, international and regional organizations and partners.

The primary goal of the Conference is a comprehensive discussion of the issues of implementation of the International Decade for Action "Water for Life", 2005-2015, which will later play a crucial role in conducting comprehensive review of the implementation of the International Decade with bringing its results to the notice of wider international community.

The conference gives an opportunity to discuss the challenges and gaps in the implementation of the International Decade. On its basis, recommendations for further actions after 2015, including contribution to the development of the Sustainable Development Goals related to water resources will be elaborated.

The representatives of the UN member countries, governments, UN institutions, international and regional organizations, international financial institutions, business communities, non-governmental organizations, civil society, as well as scientists and experts are invited to participate in the conference.
