7th World Water Forum in Daegu & Gyeongbuk (April 12-17, 2015) :

Every three years, the World Water Forum mobilizes creativity, innovation, and know-how around water. Serving as a stepping-stone towards global collaboration on water challenges, the Forum is a unique multistakeholder platform where the water community and the policy and decision makers from all regions of the world can work together to find joint solutions. It is the largest international event which seeks to advance the cause of water.
