WATERDOC offers a wide range of access to documentation on water

- IOWater - Our projects : news and update -

Date de mise en ligne : vendredi 24 mai 2013

OIEau

WATERDOC gives a wide access to various documentation on water :

- an access to 253,500 references from IOWater's documentation base and to full-text documents ;
- the collection of IOWater technical and scientific summaries provides, with nearly 180 titles available nowadays, an updated coverage of topics relating to the small and large water cycles.
