The SANDRE, the French National Service for Water Data and Common Reference Frames Management

- IOWater - Our projects : news and update -
Date de mise en ligne : vendredi 19 avril 2013

OIEau

With specification documents and lists of codes, the SANDRE reference frames improve the exchange of data between all the public and private water stakeholders. SANDRE produces and disseminates these reference frames (specification documents and data sets) free of use rights.
