Vietnam - Success of the Dong Nai Basin pilot project

- IOWater - Our projects : news and update -

Date de mise en ligne : vendredi 15 février 2013

OIEau

It aimed to provide the Vietnamese Authorities with "Technical Assistance to the implementation of an Integrated Water Resources Management (IWRM) policy through a pilot application in the Dong Nai River Basin". IOWater coordinated the project and followed up the institutional component. Finally, a first Management Plan covering an entire river basin has been prefigured.
