Science-Policy Interface : development of research on water

- IOWater - Our projects : news and update -

Date de mise en ligne : vendredi 22 mars 2013

OIEau

IOWater is involved in raising awareness about the SPI (Science and Policy Interface) challenges by coordinating and participating in many projects in various but complementary fields, including for research planning and promotion. To facilitate exchanges between stakeholders aware of SPI actions, IOWater is hosting a virtual platform : "European Water Community" with now more than 400 members.
