- contenu - Agenda des évènements -

Date de mise en ligne : jeudi 14 novembre 2013

Description :

Water Diplomacy Consortium will organize a high level international Working Conference on Water Security and Peace

OIEau

The objective of the conference is to present and discuss the role of Water Diplomacy (i.e. water conflict prevention, negotiation, mediation and conciliation) in evidence-based cases by bringing together experts and perspectives from the international, national and sub-national level. The expected outcomes of the conference are :

- creation of a better understanding of capabilities of water diplomacy among water specialists and diplomats ;
- initiation of an international hub of experts in water diplomacy to enhance resolving water related conflicts through prevention, negotiation, mediation and conciliation ;
- formulation of an agenda on Water Diplomacy capacity development ; and
- publication of the conference outcomes in a special issue on water diplomacy
