Publication : "Guide to Implementing the Water Convention"

- contenu - Actualités France et international -

Date de mise en ligne : jeudi 3 octobre 2013

The Guide aims to strengthen the understanding of the Convention on the Protection and Use of Transboundary Watercourses and International Lakes (also known as Helsinki Convention or UNECE Water Convention) among governments, international partners, non-governmental organizations and academia.

The Guide constitutes a commentary to the Convention's provisions, providing explanations of the legal, procedural, administrative, technical and practical aspects of the Convention's requirements for appropriate implementation.
