Aquatech China 2013 - Presentation of the French expertise

- IOWater - Our projects : news and update -

Date de mise en ligne : mercredi 16 avril 2014

OIEau

At the "Aquatech China" Exhibition, which took place in Shanghai from 5 to 7 June past, a delegation was invited to present the French experience in the management of drinking water supply and sanitation utilities. Mr. Jean-François Donzier, IOWater General Manager, presented the organization of water management in France, including the role of Municipalities and of their possible delegates for drinking water supply and sanitation.
