ASEM (Asia Europe Meeting) is an informal intergovernmental dialogue to strengthen the partnership between Asian countries and Europe. In this context and at the initiative of Vietnam, a conference was held from 20 to 23 March 2013 in Can Tho in the Mekong Delta, on the topic of water resources and river basin management. Nearly 150 delegates from 51 ASEM Member Countries and relevant organizations presented measures to assist these Countries in adopting a model for sustainable development.
