OIEau

For over 20 years, the International Office for Water acts for water in the world with operations of general interest to the public and private organizations in this field : training, information, documentation, institutional engineering and international cooperation.

IOWater accompanied you with pleasure throughout the year 2015 and sends its best wishes for the new year. In 2016, **the International Office of Water will continue to be involved in the management and protection of water resources**, in France, in Europe and in the whole world.

HAPPY NEW YEAR 2016 !
