African Development Bank : Project assessment and development of a guide on good practices

- IOWater - Our projects : news and update -
Date de mise en ligne : mercredi 18 mars 2015

OIEau

IOWater assessed three projects funded by AWF in Congo, Burkina Faso and Liberia.

In cooperation with AWF, it prepared a guide of good practices, based on the example of the sanitation project for the suburbs of Ouagadougou.

This guide shows how the improvement of urban sanitation and its sustainable management help build its resilience to climate change.
