Water Innovation Europe 2015

- contenu - Agenda des évènements -

Date de mise en ligne : mercredi 24 juin 2015

OIEau

The conference's theme for 2015 is '**The role of water in the circular economy**' and it will address questions as :

- How can a circular approach to water be given shape in an urban, industrial and agricultural context ?
- What are the barriers and bottlenecks that stand in the way of a circular approach to water ?
- How can RTD and innovation contribute to realise these opportunities ?

Water Innovation Europe 2015 will also host the second edition of the prestigious WssTP SME Awards, giving the opportunity to all SMEs with innovative breakthrough solutions in Europe to stand out !
