AquaVeille fait peau neuve !

- OIEau - Qui sommes-nous ? - Communiqués de presse -

AQU@VEILLE

Date de mise en ligne : mardi 26 janvier 2016

OIEau

L'Office International de l'Eau reçoit un flux permanent d'actualités françaises, européennes et internationales émises par ses partenaires. C'est une de ses missions statutaires de diffuser ces informations le plus largement possible.

"AquaVeille" est l'outil élaboré à cette fin et se présente sous la forme d'une lettre électronique hebdomadaire et d'un fil d'information continu, via une application pour smartphones.

Cette application pour smartphone, **accessible sur les systèmes d'exploitation iOS et Android**, permet de recevoir des notifications en temps réel, de personnaliser son flux d'actualités, mais aussi de partager ses contenus favoris par e-mail ou via les réseaux sociaux (Twitter ou Facebook). L'application AquaVeille permet de suivre gratuitement l'actualité de l'Office International de l'Eau, ainsi que celle du Ministère de l'Ecologie, du Développement Durable et de l'Energie, (services centraux et territoriaux), des Agences de l'Eau, des Offices de l'Eau des DOM, et de l'Office National de l'Eau et des Milieux Aquatiques.

Un abonnement permet, en plus, de bénéficier sur smartphone d'un accès au flux complet et continu d'informations issues de toutes les autres sources nationales, européennes et internationales, ainsi que d'un accès illimité aux archives, organisées par thèmes et territoires, et de **l'envoi hebdomadaire par courrier électronique de "La Lettre AquaVeille"**, qui présente la compilation des actualités de la semaine écoulée.

"AquaVeille" propose une veille organisée par thématiques. Elle traite des informations techniques, juridiques et administratives dans les domaines de la gestion des ressources en eau, de l'eau potable, de l'assainissement, de l'irrigation, des risques ou des milieux aquatiques et des thèmes associés (hydroélectricité, navigation fluviale, adaptation au changement climatique, biodiversité, urbanisme, etc.) en France, en Europe et dans le Monde.

En 2016, "AquaVeille" adopte une nouvelle charte graphique plus moderne et plus intuitive. Cette nouvelle présentation facilite la lecture et l'accès à l'information et à l'actualité du secteur de l'eau.
