WaterPIPP meets the market

- contenu - Agenda des évènements -

Date de mise en ligne : mercredi 22 juin 2016

OIEau

The meeting will be a proactive analysis of supply markets, and will be focused on concrete innovation needs presentation by 4 pilots, interested to acquire evidences about the innovative solutions available on the market, as well as on the functional and performance requirements to solve the innovation gaps.

The market consultation sessions are organized with due regard to the principles of openness, transparency, non-discrimination and equal treatment, in line with European procurement law.
